Loose Leaf Tea Selection

Teas

Afternoon Gold

A house favourite. Full-bodied Assam tea, blended with floral Darjeeling and fruity Ceylon. This tea remains fresh and doesn't overbrew, meaning you will have the perfect cup of tea for longer.

Orange Blossom Oolong

A gentle oolong and fresh orange flavour blend to create this rare and interesting fruity fusion.

Splendid Earl Grey

With flowery richness of an autumn Darjeeling leaf, with the fresh and elegant aroma of lemons.

Darjeeling Summer

A delicate tea with fine sweetness and long-lasting finish from India. The subtle taste of muscatel matures in summer, giving this tea a lovely flavour.

English Breakfast

A blend of tea from Assam to add malty spice, Ceylon to add liveliness and Kenya for a fresh aromatic note.

Ceylon Decaffeinated

A carefully and gently decaffeinated Ceylon tea full of typical fruity and rich liveliness.

Morgentau

A perfect blend of green tea and mango. Less bitter than a classic green tea, notes of lemon and flavours of mango make for a much more interesting green tea.

Infusions

Chocolate Chai

A sensory Chai, melted soft nougat with nuances of cocoa, melt with strong spices and mild sharpness of ginger.

Red fruit

This juicy fruit infusion tastes of home grown berries with the delicious flavour of raspberry and cherry. Perfect for those of us who love something sweet.

Green Vanilla

The concentrated taste of vanilla sweetens the delicate tartness of sencha.

Apricot Almond

A light fruity infusion especially for those who are a fan of apricot, with delicate almond rich in flavour, yet mild and low acidity.

Lemon and Ginger

This delightful blend is a perfect balance of tangy and spicy, creating a refreshing and revitalizing experience with every sip.

Fruity Camomile

Perfect for relaxing. A tea full of floral freshness with orange from the orange petals blended into the flower.

Refreshing Mint

A classic bend of fresh mint leaves but with added freshness from lemongrass. Perfect for after a meal.

All Teas are prepared to their recommended brewing time, and are also served with a pot of hot water on the side for you to refresh and dilute your tea as you wish. Please inform a member of the team with any allergies you may have, as some of our teas contain allergens such as nuts.
